**Into the Wild** Jon Krakauer 2009-09-22 Krakauer’s page-turning bestseller explores a famed missing person mystery while unraveling the larger riddles it holds: the profound pull of the American wilderness on our imagination; the allure of high-risk activities to young men of a certain cast of mind; the complex, charged bond between fathers and sons. “Terrifying... Eloquent... A heart-rending drama of human yearning.” —New York Times In 1992 a young man from a well-to-do family hitchhiked to Alaska and walked alone into the wilderness north of Mt. McKinley. He had given \$25,000 in savings to charity, abandoned his car and most of his possessions, burned all the cash in his wallet, and invented a new life for himself. Four months later, his decomposed body was found by a moose hunter. How Christopher Johnson McCandless came to die is the unforgettable story of Into the Wild. Immediately after graduating from college in 1991, McCandless had roamed through the West and Southwest on a vision quest like those made by his heroes Jack London and John Muir. In the Mojave Desert he abandoned his car, stripped it of its license plates, and burned all of his cash. He would give himself a new name, Alexander Supertramp, and, unencumbered by money and belongings, he would be free to wallow in the raw, unfiltered experiences that nature presented. Craving a blank spot on the map, McCandless simply threw the maps away, leaving behind his desperate parents and sister, he vanished into the wild. Jon Krakauer constructs a clarifying prism through which he reassembles the disquieting facts of McCandless’s short life. Admitting an interest that borders on obsession, he searches for the clues to the drives and desires that propelled McCandless. When McCandless’s innocent mistakes turn out to be irreversible and fatal, he becomes the stuff of tabloid headlines and is dismissed for his naiveté, pretensions, and hubris. He is said to have had a death wish but wanting to die is a very different thing from being compelled to look over the edge. Krakauer brings McCandless’s uncompromising pilgrimage out of the shadows, and the peril, adversity, and renunciation sought by this enigmatic young man are illuminated with a rare understanding—and not an ounce of sentimentality. Mesmerizing, heartbreaking, Into the Wild is a tour de force. The power and luminosity of Jon Krakauer’s storytelling blaze through every page.

**Activism and Rhetoric** JongHwa Lee 2010-10-18 This volume examines the role of rhetoric in today’s culture of democratic activism. The volume takes on two of the most significant challenges currently facing contemporary rhetorical studies: (1) the contested meanings and practices of democracy and civic engagement in global context, and (2) the central role of rhetoric in democratic activist practices. In presenting a variety of political and rhetorical struggles in their specific contexts, editors Seth Kahn and JongHwa Lee allow contributors to reflect on and elaborate possibilities for both activist approaches to rhetorical studies, and rhetorical approaches to activist projects, facilitating better understanding the socio-political consequences of this work. With contributors from widely known scholars in communication and composition studies, the collection offers practical cases that highlight how rhetoric mediates, constitutes, and/or intervenes in democratic principles and practices. It also considers theoretical questions that acknowledge profound voids in the rhetorical tradition (e.g., Western, neo-Aristotelian, liberal) and expand the horizon of traditional rhetorical perspectives. It advocates new knowledge and practices that further promote civic engagement, social change and democracy in the global context. Activism and Rhetoric will be appropriate for scholars and students across disciplines, including rhetoric, composition, communication studies, political science, cultural studies, and women’s studies.

**Born a Crime** Trevor Noah 2016-11-15 #1 NEW YORK TIMES BESTSELLER • More than one million copies sold! “A brilliant” (Lupita Nyong’o, Time), “poignant” (Entertainment Weekly), “soul-nourishing” (USA Today) memoir about coming of age during the twilight of apartheid Noah’s childhood stories are told with all the hilarity and intellect that characterizes his comedy, while illuminating a dark and brutal period in South Africa’s history that must never be forgotten.” —Esquire Winner of the Thurber Prize for American Humor and an NAACP Image Award • Named one of the best books of the year by The New York Time, USA Today, San Francisco Chronicle, NPR, Esquire, Newsday, and Booklist Trevor Noah’s unlikely path from apartheid South Africa to the desk of The Daily Show began with a criminal act: his birth. Trevor was born to a white Swiss father and a black Xhosa mother at a time when such a union was punishable by five years in prison. Living proof of his parents’ indiscretion, Trevor was kept mostly indoors for the earliest years of his life, bound by the extreme and often absurd measures his mother took to hide him from a government that could, at any moment, steal him away. Finally liberated by the end of South Africa’s tyrannical white rule, Trevor and his mother set forth on a grand adventure, living openly and freely and embracing the opportunities won by a centuries-long struggle. Born a Crime is the story of a mischievous young boy who grows into a restless young man as he struggles to find himself in a world where he was never supposed to exist. It is also the story of that young man’s relationship with his fearless, rebellious, and fervently religious mother—his teammate, a woman determined to save her son from the cycle of poverty, violence, and abuse that would ultimately threaten her own life. The stories collected here are by turns hilarious, dramatic, and deeply affecting. Whether subsisting on caterpillars for dinner during hard times, being thrown from a moving car during an attempted kidnapping, or just trying to survive the life-and-death pitfalls of dating in high school, Trevor illuminates his curious world with an incisive wit and unflinching honesty. His stories weave together to form a moving and searingly funny portrait of a boy making his way through a damaged world in a dangerous time, armed only with a keen sense of humor and a mother’s unconventional, unconditional love.

**The Giver** Lois Lowry 2014 Living in a “perfect” world without social ills, a boy approaches the time when he will receive a life assignment from the Elders, but his selection leads him to a mysterious man known as the Giver, who reveals the dark secrets behind the utopian facade.

Here Jennifer Egan brilliantly reveals their pasts, along with the inner lives of a host of other characters whose paths intersect with theirs. “Pitch perfect.... Darkly, rickifying funny.... Egan possesses a satirist’s eye and a romance novelist’s heart.” —The New York Times Book Review

**The Souls of Black Folk** W. E. B. Du Bois 2020-01-14 The Souls of Black Folk is a 1903 work of American literature by W. E. B. Du Bois. It is a seminal work in the history of sociology and a cornerstone of African-American literature. The book contains several essays on race, some of which the magazine Atlantic Monthly had previously published. To develop this work, Du Bois drew from his own experiences as an African American in American society. Outside of its notable relevance in African-American history, The Souls of Black Folk also holds an important place in social science as one of the early works in the field of sociology. In The Souls of Black Folk, Du Bois used the term “double consciousness”, perhaps taken from Ralph Waldo Emerson (“The Transcendentalist” and “Fate”), applying it to the idea that black people must have two fields of vision at all times. They must be conscious of how they view themselves, as well as being conscious of how the world views them.

**Their Eyes Were Watching God** Zora Neale Hurston 2021-11-18 One of the most important and enduring books of the twentieth century, Their Eyes Were Watching God brings to life a Southern love story with the wit and pathos found only in the writing of Zora Neale Hurston. Out of print for almost thirty years—due largely to initial audiences’ rejection of its strong black female protagonist—Hurston’s classic has since its 1978 reissue become perhaps the most widely read and highly acclaimed novel in the canon of African-American literature.

**The Cay** Theodore Taylor 2011-09-28 For fans of Hatchet and Island of the Blue Dolphins comes Theodore Taylor’s classic bestseller and Lewis Carroll Shelf Award winner, The Cay. Phillip is excited when the Germans invade the small island of Curaçao. War has always been a game to him, and he’s eager to glimpse it firsthand—until the freighter he and his mother are traveling to the United States is torpedoed. When Phillip comes to, he is on a small raft in the middle of the sea. Besides Stew Cat, his only companion is an old West Indian, Timothy. Phillip remembers his mother’s warning about black people: “They are different, and they live differently.” But by the time the castaways arrive on a small island, Phillip’s head injury has made him blind and dependent on Timothy. “Mr. Taylor has provided an exciting story....The idea that all humanity would benefit from this special form of color blindness permeates the whole book....The result is a story with a high ethical purpose but no sermon.”—New York Times Book Review “A taut tightly compressed story of endurance and revelation...At once barbed and tender, tense and fragile—as Timothy would say, ‘outrageous good.’”—Kirkus Reviews \* “Fully realized setting...artful, unobtrusive use of dialect...the representation of a hauntingly deep love, the poignancy of which is rarely achieved in children’s literature.”—School Library Journal, Starred “Starkly dramatic, believable and compelling.”—Saturday Review “A tense and moving experience in reading.”—Publishers Weekly “Eloquently underscores the intrinsic brotherhood of man.”—Booklist “This is one of the best survival stories since Robinson Crusoe.”—The Washington Star • A New York Times Best Book of the Year • A School Library Journal Best Book of the Year • A Horn Book Honor Book • An American Library Association Notable Book • A Publishers Weekly Children’s Book to Remember • A Child Study Association’s Pick of Children’s Books of the Year • Jane Addams Book Award • Lewis Carroll Shelf Award • Commonwealth Club of California: Literature Award • Southern California Council on Literature for Children and Young People Award • Woodward School Annual Book Award • Friends of the Library Award, University of California at Irvine
