Literature review A first clarification regards the terms that are used in this paper. Working “from home” has often been referred to in different ways. Especially in the past, a popular term often used in this context was “telework”, and while there is no universal agreement (Alizadeh, 2013), it

Academic Book Reviews - San Jose State University

An academic book review is not a literature review. A literature review synthesizes current published material on a specific topic, provides a summary of other scholars' research, and points out gaps in said research. An academic book review is not an annotated bibliography, even though an entry in an annotated bibliography can look similar.

King's Research Portal

the two authors, and others along the way, and is thus more conversational in style than is usually the case. While we refer to much that has been written on Global IR and related subjects, we do not provide an extensive literature review by way of establishing our place within disciplinary debates, which as Barkawi and Laffey (2006)
