Unquenchable Faith David Faust 2004 What is The 3:16 Series? The Apostle Paul encouraged Christians in the first century and therefore us today to "allow the Word of Christ to dwell in us richly" (Colossians 3:16, NIV). The 3:16 Series is based on this verse in Colossians. The series is designed primarily for small group study and interaction but will also prove fruitful for individual study. Thessalonica was a city of size and influence. It appears to have been a very busy, prosperous, and diverse area -- the perfect place for the message of God's grace through His Son Jesus to take root and spread, but also a place where it would meet significant resistance. Thessalonica was a tough place for new followers of Christ to grow up in their faith. Have you ever thought of the Apostle Paul as a concerned parent? Paul's letters to the church in Thessalonica are full of parental affection and advice. One can't help but be touched by his strong desire to be with his new converts -- to protect, guide, prepare, and comfort them. David Faust leads us through an inspiring study of 1 & 2 Thessalonians. We'll learn just how much the Apostle Paul wanted to make sure this young church received the proper spiritual nourishment; he wanted them to possess that unquenchable faith that, even today, we are encouraged to thirst for. Funny Things Can Happen on Your Way through the Bible, Volume 1 Charles D. Barrett 2010-04-01 Proceeding from Voltaire's conclusion that "God is a comedian playing to an audience that's afraid to laugh," this book seeks to uncover some of the many instances in which biblical texts offer readers grace and insight through the divine gifts of humor, wit, and laughter. Readers are invited to take a strikingly unusual, if not unique, approach to the texts, imagining not only the voice inflections but also the body language of their narrators to capture the humorous nuances and ripples of laughter that likely attended the first telling of many biblical stories.

In this twelve session LifeGuide® Bible Study on Genesis tells us that even the giants of faith—Abraham, Isaac, Jacob and Joseph—struggled to obey their Creator. The Mysterious Furies of the God in a Tent David Anton 2009-04-15 It is unusual for a novelist to choose God for the main ghost character of his book. Yet any truly literate reader of the Hebrew Bible will discover that the Bible is a literary book whose central character is the personality of God. The Bible opens with His revealing his powerful presence by saying “In the beginning,” and going on to declaim who He is and what He has done. All the central episodes of the Biblical stories, while involving narrations of those who followed his plans and activities, are centered on his words and his deeds. These are the main elements of the Bible even though human stories abound. Indeed, on can posit that this book is an extraordinarily long, one act drama in which there is only one character who soliloquizes his experiences of being the Father of the universe. He retells with great emotional involvement what happened to Him when He decided to make a natural world full of creatures and then decided to add surrogate beings to share it with Him. Here the soliloquy becomes very dramatic because humans rebelled in their very first instance of their being and thus became alien to him. He became angry, took destructive actions that demonstrated his powers but often produced compliance driven by fear. Despite this blemish, He tells the reader He was not ready to let go of His absolute Fatherhood. So He began to undertake prodigious but eventually frustrating efforts to win human love and allegiance. He chose one tribal family as His witness to His supreme divinity. His strategic goal was to specially develop a family covenant with a chosen people; He would be their one and only Father- counselor in all aspects their of lives. In return He would give them their own tribal land and a kingdom. It was a troubled covenant. This tactic brought Him into many human conflicts that forced Him to become variously a liberator, a general, a destroyer, even a conqueror and executioner, often a peace maker. His plan succeeded for a period, His wishes fulfilled. At least one human tribe truly witnessed Him and Him only. But again the human side of the covenant failed, His chosen people dispersed once more into the spiritual deserts of the alien world. So full of sadness, frustration, and disappointment, the voice of the divine soliloquist falls into near silence. His soliloquy is now remembered through the echoed, hailing words handed over to his prophets. The ghost text of this Divine comedy was written down in a book called the Bible. Can these third person words have their divine author's mysterious, furious powers of his Word? The novel, “The Mysterious God in a Tent,” is about the spiritual struggle that occurs when a very dedicated reader, near his death, encounters this powerful Biblical soliloquy, the voice of a deific personality whose voice is the essence of this story-- the majesty of words and the Word.

Tragedy in the Victorian Novel Jeannette King 1978-01-26 How does one dominant literary genre fall into decline, to be superseded by another? The classic instance is the rise of the novel in the nineteenth century, and how it came to embody the tragic vision of life which had previously been the domain of drama. Dr King focuses on three novelists, George Eliot, Thomas Hardy and Henry James. All three, while trying to offer a realistic picture of life in prose narrative, wrote with the concept of tragedy clearly in mind. The concern was widespread, and Victorian literary critics found themselves discussing the problem of how one might reconcile concepts as dissimilar as tragedy and realism. Their criticism provides Dr King with her starting point. Dr King examines the work of her three authors in relation to the large concepts of traditional tragic thought, and also examines how the form of specific novels was affected by their differing ideas of tragedy.

Rapture Ready! Daniel Radosh 2008-04-08 What does it mean when a band is judged by how hard they pray rather than how hard they rock? Would Jesus buy "Jesus junk" or wear "witness wear"? What do Christian skate parks, raves, and romance novels say about evangelicalism -- and America? Daniel Radosh went searching for the answers and reached some surprising conclusions. Written with the perfect blend of amusement and respect, Rapture Ready! is an insightful, entertaining, and deeply weird journey through the often hidden world of Christian pop culture. This vast and influential subculture -- a \$7 billion industry and growing -- can no longer be ignored by those who want to understand the social, spiritual, and political aspirations of evangelical Christians. In eighteen cities and towns throughout thirteen states -- from the Bible Belt to the outskirts of Hollywood -- Radosh encounters a fascinating cast of characters, including Bibleman, the Caped Christian; Rob Adonis, the founder and star of Ultimate Christian Wrestling; Ken Ham, the nation's leading prophet of creationism; and Jay Bakker, the son of Jim and Tammy Faye Bakker, and pastor of his own liberal, punk rock church. From Christian music festivals and theme parks to Passion plays and comedy nights, Radosh combines gonzo reporting with a keen eye for detail and just the right touch of wit. Rapture Ready! is a revealing survey of a parallel universe and a unique perspective on one of America's most important social movements.

Cain versus Abel: Not an Open and Shut Case Gordon Kainer 2018-02-04 While this story reads like a short police report, Cain and Abel's tragic narrative plays a definitive role in the biblical saga called the great controversy. As we review their story, we might assume that if we had a chance to meet Cain and Abel, just by looking, we could easily determine who was the kind Abel and who was the mean-spirited Cain. Are you sure? Would you be surprised to learn Abel was guilty of viewing Cain from a superficial perspective that gave him a misleading impression of his brother? As we study their lives, it's easy for us to have preconceived ideas because we don't know what was going through Cain's mind until Cain's behavior plainly displays it for all of us to see. It's human to be biased. But that's not God's way of judging! This book dives deeper into the story to reveal God's perspective. I invite you to dive in with me as objectively as possible. Don't prejudice. Be persuaded by biblical evidence-wherever it leads you!

Funny Things Can Happen on Your Way through the Bible, Volume 2 Charles D. Barrett 2013-06-04 “In these meditations upon Scripture, the author quickly, lightly opens up the sacred text to us in a way that--to my knowledge--has never been attempted in the entire history of the Christian faith. Through irony, pun, parody, spoof, and joke he reads Scripture with tongue in cheek, a rhyme in his pen, and a smile on his face. If you ever wondered what the Bible would sound like if it were written by Ogden Nash (and who hasn't?), here it is, Charlie Barrett's religious rhymes.” --William H. Willimon, acclaimed author and Dean of the Chapel emeritus, Duke University
