love story that will hold you in thrall—and a hero you will most certainly never forget. BEWARE: lethally seductive alpha male of immense strength, do not look at him. Do not touch him. Do not be tempted. Do not be seduced. With his long, black hair and dark, mesmerizing eyes, Adam Black is Trouble with a capital T. Immortal, arrogant, and intensely sensual, he is the consummate seducer, free to roam across time and continents in pursuit of his insatiable desires. That is, until a curse strips him of his immortality and makes him invisible, a cruel fate for so irresistible a man. With his very life at stake, Adam's only hope for survival is in the hands of the one woman who can actually see him. Enter law student Gabrielle O'Callaghan, who is cursed with the ability to see both worlds: Mortal and Faery. From the moment she lays eyes on this stunning male, Gabby is certain of one thing: He could be her undoing. Thus begins a long, dangerous seduction. Because

despite his powerful strength and unquenchable hungers, Adam refuses to take a woman by force. Instead, he will tease his way into Gabby's bed and make her want him just as he wants her. Now, no matter how hard Gabby tries to avoid him, Adam is everywhere, invisible to all but her—perched atop her office cubicle in too-tight jeans, whispering softly from behind the stacks of the law library, stealing her breath away with his knowing smile...all the while tempting her with the promise of unimaginable pleasure in his arms. But soon danger will intrude on this sensual dance. For as Adam's quest to regain his immortality plunges them into a world of timeless magic and the deadly politics of the Faery queen's court, the price of surrender could be their very lives. Unless they can thwart the conspiracy that threatens both mortal and Faery realms...and give them a shot at a destiny few mortals ever know: glorious, wondrous, endless love.

The Dictator's Seduction

Lauren H. Derby 2009-01-01 The dictatorship of Rafael Trujillo, who ruled the Dominican Republic from 1930 until his assassination in 1961, was one of the longest and bloodiest in Latin American history. The Dictator's Seduction is a cultural history of the Trujillo regime as it was experienced in the capital city of Santo Domingo. fashioning a “vernacular politics” based on popular idioms of masculinity and fantasies of race and class mobility. Derby argues that the most pernicious aspect of the dictatorship was how it appropriated quotidian practices such as gossip and gift exchange, leaving almost no place for Dominicans to hide or resist. Drawing on previously untapped documents in the Trujillo National Archives and interviews with Dominicans who recall life under the dictator, Derby emphasizes the role that public ritual played in Trujillo’s exercise of power. His regime included the people in affairs of state on a massive scale as never before. Derby pays particular attention to how events and projects were received by the public as she analyzes parades and rallies, the rebuilding of Santo Domingo following a major hurricane, and the staging of a year-long celebration marking the twenty-fifth year of Trujillo’s regime. She looks at representations of Trujillo,

exploring how claims that he embodied the popular barriero antihero the tiguere (tiger) stoked a fantasy of upward mobility and how a rumor that he had a personal guardian angel suggested he was uniquely protected from his enemies. The Dictator’s Seduction sheds new light on the cultural contrivances of autocratic power.
