Anderson first explores the issue of Pauline authorship. She challenges readers to reflect on why the question of authorship has dominated scholarship as well as why and how interpreters create "stories" about the letter. Second, Anderson examines rhetoric and context. She asks readers to consider how the letter constructs and seeks to persuade its addressees past and

present. She surveys several pictures of the first audience and "opponents." Finally, Anderson delves into the functions of the Colossian household code, its reception, and the ethics of interpretation.

**A Complicated Legacy** Robert H. Stucky 2014-05-23 If movies and books like Belle, Twelve Years a Slave, The Butler, The Help, A Time to Kill, and Amistad have moved you, you'll love A Complicated Legacy, a novel by Baltimore writer Robert H. Stucky based on the true story of Elijah Willis, a white South Carolina planter, and Amy- the love of his life, the mother of his children, and his slave. Taking place in the decade leading up to the Civil War, it is written with a cinematic eye for

atmosphere and setting, a linguist's ear for dialogue, and a historian's grasp of the powerful social forces and momentous events of the time. It is a riveting tale of personal transformation in facing the tide of sweeping social change. Elijah Willis fought family opposition, public opinion, and the law to free his family of choice and leave them his entire inheritance. In so doing, his and Amy's story becomes a microcosm of the human struggles that made the Civil War and the Abolition of Slavery both necessary and inevitable. Set in rural South Carolina, Baltimore, and Cincinnati, this vivid saga weaves history and humanity in a compelling testimony to the power of relationships to shape our destinies, even a century and a half later.

**The Book of Matthew** Andy Nash 2015  
**Seeking the Lost, Keeping Them, Making Them Disciples** Dr. Benoit Petit-Homme 2018-08-27 Seeking the Lost, Keeping Them, Making Them Disciples By: Dr. Benoit Petit-Homme God bless Dr. Benoit Petit-Homme for all the work he has done in putting this book together. I believe that any church or leader who will follow these biblically-grounded principles will see beautiful results in changed lives for the kingdom. Teresa L. Reeve, PhD, Associate Dean, Seventh-day Adventist Theological Seminary, Associate Professor of New Testament Contexts, Andrews University, United States of America Dr. Benoit Petit-Homme's contribution to the discipleship crisis is a compelling re-examination of scripture, church history, and 21st century pastoral experience. Practical and convincing, his straightforward style brings real solutions to the evangelistic Achilles' heels of attrition. He reminds us of what has been forgotten and calls us back to our relational roots. Pr. Ron Kelly, Senior Pastor,

Village Seventh-day Adventist Church, Berrien Springs, Michigan, United States of America Seeking the Lost, Keeping Them, Making Them Disciples by Dr. Benoit Petit-Homme is a handy Christ-based discipleship resource that will contribute to the mission of training and equipping church ministry leaders in the evangelistic work of reaping, retaining, and nurturing new believing Christians. This is a must-read for church officers, pastors, and ministry directors in the Christian church. Ron C. Smith, PhD., D.Min, President, Southern Union Conference of SDA Every year, many thousands of people hear the Good News of Jesus Christ and choose to be baptized and join a church community. Unfortunately, it is also true that every year many new converts leave a church relatively shortly after joining. The specific reasons that each person leaves the church could fill a book by themselves, but they all boil down to one thing: a lack of focus on the part of the church community on turning converts into disciples of our Savior. A disciple of Christ does more than attend church services. A disciple is an active member of the church community. A disciple is a witness to others. A disciple seeks to grow the church by seeking to lead everyone they meet to Christ. Dr. Benoit Petit-Homme is a committed disciple of Christ, and after extensive study of exactly why new converts leave the church, he has developed a process by which any church can make disciples. All it takes is a little extra work, a bit of encouragement, and an unwavering faith in the Lord.

**A Man Approved of God** David J. Keyser 2007-10 David J. Keyser, Ph.D. \*\* Christian Theology \*\* This book is about the humanity of Jesus Christ. The Christian Church has neglected this important Christian truth for

too long. An understanding of the humanity of Jesus has been sacrificed to our understanding of his divinity. He is indeed Divine. But it is a costly mistake to forget about his humanity; it is here that we find our identity with Him. ISBN:

9780615164557 -- Dr. David J. Keyser has served as an international theology teacher and college adjunct faculty. His earned degrees include a B.S., an M.Div, an M.S., a Th.M., and a Ph.D. in Systematic Theology with a specialization in Pneumatology (the study of The Holy Spirit) from the University of Saint Andrews in Scotland, Presbyterianism's oldest University. His interests include the humanity of Christ, The Holy Spirit and Biblical fiction.

**Family Seasons** Claudio Consuegra 2019  
*Making Friends for God* Mark Finley 2020 "This book is about soul-winning principles involved with sharing Christ's love and truth. Witnessing is the role of each believer and comes as the natural result of knowing Jesus. Following in His footsteps, one can discover the universal principles for sharing their faith"--

Small Christians Dr Harry Jay 2014-08-30 Religion & Spirituality - Small Christians is about Christians or so-called Christians that practice weak faith and present to the world a wrongful picture of God's saving grace. I Have No Problem with Christianity; the Problem is Christians! From rock stars sporting huge crosses around their necks and then behaving in the most outrageous behavior to people with the Christian symbol of a fish on the rear of their cars screaming obscenities and giving certain body gestures in an act of road rage, is it no wonder that the world has found Christianity lacking? But Christianity is about Christ and not Christians! We live in a hurting world with hurting people. And the

Church is not isolated from that hurt. In fact, the Church actually accentuates the hurt. Why? The Church is comprised of people who are hurting and coming to church for help and it is also comprised of people who have been helped that are coming to worship God. When you bring former hurt together with current hurt and drop it together with imperfect people, there are going to be problems. The great mystery of God revealed by His Son, Jesus Christ is "not that we live for God as Christians, but that God lives through us and in us." Our hope is in Christ and since we are all "broken pots," we can expect problems. And only through our faith in Christ will we rise above for we can do nothing without Him! This is not a book on spiritualism and in fact it is a book of spirituality vs religion. It delineates what are the differences in religions and speaks about religion spirituality. In today's Christian world, you need to read this book. Isn't it time the world sees the true face of Christianity?

*It's Time* Michael Morwood 2013 *It's Time. Challenges to the Doctrine of the Faith* by Michael Morwood. Christianity, along with other major religions, has to make sense of its major beliefs in light of contemporary knowledge about the universe and our place in it. This calls for a major overhaul in how we understand "God", how we interpret Jesus as revealing the Divine Presence in human form, and what this means for worship and prayer. This contemporary "story" is radically different from the traditional Christian story about an elsewhere, heavenly God who disconnected from humanity.

**Sabbath as Resistance, New Edition with Study Guide** Walter Brueggemann 2017-10-13 In this new edition that includes a study guide, popular author Walter Brueggemann writes that the Sabbath is not simply about keeping rules but rather about becoming a whole person and restoring a whole society. Brueggemann calls out our 24/7 society of consumption, a society in which we live to achieve, accomplish, perform, and possess. We want more, own more, use more, eat more, and drink more. Brueggemann shows readers how keeping the Sabbath allows us to break this restless cycle and focus on what is truly important: God, other people, all life. Perfect for groups or self-reflection, *Sabbath as Resistance* offers a transformative vision of the wholeness God intends, giving world-weary Christians a glimpse of a more fulfilling and simpler life through Sabbath observance.

**Biblical Discipleship Study Guide: Essential Components for Attaining Spiritual Maturity** Dr. Todd M. Fink 2016-05-18 This 16 Week Study Guide

is exceptionally practical and life-transforming. It is taken from the main book *Biblical Discipleship: Essential Components for Attaining Spiritual Maturity*. However, it is a "stand-alone" book study that is designed to be used on its own. Its purpose is to take the 14 core principles of discipleship and put them into practice. Today, we have many ways of defining success in life. Some define it as being a sports hero, others as being wealthy, others as being popular and well-liked, and still others as being happy. How does God define success? He defines it as being spiritually mature!

James Trudy J. Morgan-Cole 2011 *The Heavens Declare the Glory of God* Ron McRay 2014-04-18 Dr. Ron McRay is about to do something extraordinary. This book will present to you the subject of Biblical astrology. Do not be frightened, for you are about to be introduced to one of the most fascinating subjects of the Bible. "Pagan" astrology, motivated by evil, and counted on by millions of people down through the ages, is actually the "gospel according to 'satan.'" It is designed to blind mankind to the true "ordinances of heaven." This misguided view of the heavens has infiltrated into Christian society. Coffee break discussions of personal experiences mention the "alignment of the stars" rather than the providence of the Creator. The daily newspaper horoscope is read by countless numbers of professing believers in GOD. A biblical understanding is needed to give the glory back to GOD where it belongs. The gospel is contained in the stars of heaven. Even without the Bible, Yahweh has provided his wonderful story and plan of redemption forever etched in the night skies. Their stories should be trumpeted by believers everywhere to

bring the glory of Yahweh's work to a sinful world.

**God's Supernatural Power in You** Frank

A. DeCenso 2009-05-28 The need for power ministry is as strong today as it was when Jesus and the apostles walked the earth. The need for demonstrations of Gods powerful love, exhibited through His church, will demolish strongholds of unbelief and relativism, as well as tear down cultural barriers that may bring confusion when only the words of the good news are shared, but its power is neglected. When Jesus and the apostles proclaimed the good news of salvation to people, works of power accompanied them. Today, the entire church needs mentored in how to bring Gods word to the world in power. This book is a prophetic call to engage te mission of bringing God's radical love to this hurting world through power ministry.
