NAMED ONE OF THE BEST BOOKS OF THE YEAR BY THE WALL STREET JOURNAL • “A wild ride . . . impossible to put down.”—Publishers Weekly (starred review) It’s an average work day. You’ve been wrapped up in a task, and you check the clock when you come up for air—4:44 p.m. You check your email, and 44 unread messages have built up. With a shock, you realize the date is April 4—4/4. And when you get in your car to drive home, your odometer reads 44,444. Coincidence? Or have you just seen the edge of a rabbit hole? Rabbits is a mysterious alternate reality game so vast it uses the entire world as its canvas. Since the game started in 1959, ten iterations have appeared and nine winners have been declared. The identities of these winners are unknown. So is their reward, which is whispered to be NSA or CIA recruitment, vast wealth, immortality, or perhaps even the key to the secrets of the universe itself. But the deeper you get, the more dangerous the game becomes. Players have died in the past—and the body count is rising. And now the eleventh round is about to begin. Enter K—a Rabbits obsessive who has been trying to find a way into the game for years. That path opens when K is approached by billionaire Alan Scarpio, rumored to be the winner of the sixth iteration. Scarpio says that something has gone wrong with the game and that K needs to fix it before Eleven starts, or the whole world will pay the price. Five days later, Scarpio is declared missing. Two weeks after that, K blows the deadline: Eleven begins. And suddenly, the fate of the entire universe is at stake.

ARK P. J. Humphreys 2020-06 A priest investigates his murdered sister and the ghosts of an ancient order come back to threaten him and his country.

Arc of Justice Kevin Boyle 2007-04-01 An electrifying story of the sensational murder trial that divided a city and ignited the civil rights struggle In 1925, Detroit was a smoky swirl of jazz and speakeasies, assembly lines and fistfights. The advent of automobiles had brought workers from around the globe to compete for manufacturing jobs, and tensions often flared with the KKK in ascendance and violence rising. Ossian Sweet, a proud Negro doctor-grandson of a slave-had made the long climb from the ghetto to a home of his own in a previously all-white neighborhood. Yet just after his arrival, a mob gathered outside his house; suddenly, shots rang out: Sweet, or one of his defenders, had accidentally killed one of the whites threatening their lives and homes. And so it began-a chain of events that brought America's greatest attorney, Clarence Darrow, into the fray and transformed Sweet into a controversial symbol of equality. Historian Kevin Boyle weaves the police investigation and courtroom drama of Sweet's murder trial into an unforgettable tapestry of narrative history that documents the volatile America of the 1920s and movingly re-creates the Sweet family's journey from slavery through the Great Migration to the middle class. Ossian Sweet's story, so richly and poignantly captured here, is an epic tale of one man trapped by the battles of his era's changing times. Arc of Justice is the winner of the 2004 National Book Award for Nonfiction.

Sarah Robert Gottlieb 2010-09-21 Everything about Sarah Bernhardt is fascinating, from her obscure birth to her glorious career--redefining the very nature of her art--to her America (and highly public) romantic life, to her indomitable spirit. Well into her seventies, after the amputation of her leg, she was performing under bombardment for soldiers during World War I and toured America for the ninth time. Though the Bernhardt literature is vast, this is the first English-language biography to appear in decades, tracking the trajectory through which an illegitimate--and scandalous--daughter of a Jewish courtesan transformed herself into the most famous actress who ever lived, and into a national icon, a symbol of France.--From publisher description.

The Wrong Man P. F. Ford 2016 When Diana Woods is found stabbed to death in her kitchen, DS Slater and DS Norman Norman are plunged into another major investigation. The finger of suspicion quickly points at Diana's estranged husband, Ian - a bully who regularly abused his wife. But as Slater learns more, he begins to wonder if everything is as it seems. When a new suspect appears on the scene, it seems that Slater's instincts were right. But the evidence seems just a bit too convenient, and Slater and Norman have to face the possibility that their suspect is being framed - and they could be back to square one.

The Kidney Donor P. F. Ford 2016-08-25 When a homeless man is found burned to death in a skip, it seems to police like an open and shut case. After all, it was probably just a tragic accident, wasn't it? But when former Detective Sergeant Dave Slater (now just plain Mr) arrives back from a holiday to Thailand, it's not long before he and former partner Norman Norman get the distinct whiff that something isn't quite right. Why has homeless veteran Ryan suddenly gone missing? And why is he so sure that it should have been him in that skip? And why had the dead man recently had a kidney removed?No longer having the resources and clout of Tinton Police behind them, Slater and Norman must put their detective skills to good use to find the truth before there are more victims *The Wizard and the Prophet* Charles Mann 2019-04-16 From the best-selling, award-winning author of 1491 and 1493--an incisive portrait of the two little-known twentieth-century scientists, Norman Borlaug and William Vogt, whose diametrically opposed views shaped our ideas about the environment, laying the groundwork for how people in the twenty-first century will choose to live in tomorrow's world. In forty years, Earth's population will reach ten billion. Can our world support that? What kind of world will it be? Those answering these questions generally fall into two deeply divided groups--Wizards and Prophets, as Charles Mann calls them in this balanced, authoritative, nonpolemical new book. The Prophets, he explains, follow William Vogt, a founding environmentalist who believed that in using more than our planet has to give, our prosperity will lead us to ruin. Cut back! was his mantra. Otherwise everyone will lose! The Wizards are the heirs of Norman Borlaug, whose research, in effect, wrangled the world in service to our species to produce modern high-yield crops that then saved millions from starvation. Innovate! was Borlaug's cry. Only in that way can everyone win! Mann delves into these diverging viewpoints to assess the four great challenges humanity faces--food, water, energy, climate change--grounding each in historical context and weighing the options for the future. With our civilization on the line, the author's insightful analysis is an essential addition to the urgent conversation about how our children will fare on an increasingly crowded Earth. *The Enforcement of Morals* Patrick Devlin 2010-01-31 Are morals always relative? Are private actions--among consenting adults--always beyond the law? Or are there some behaviors which so weaken a society that common beliefs about right and wrong must be enforced to protect the common good? In opposing the decriminalization of private acts of homosexuality in Britain, Patrick Devlin maintained that not only is it reasonable to allow popular morality to influence lawmaking, it is imperative: ". . . For a society is not something that is kept together physically; it is held by the invisible bonds of common thought." Some sidestep this controversial issue by asserting that the law should not be used to enforce any morality. Others invoke John Stuart Mill's doctrine that the only purpose for laws governing any member of society is to prevent harm to others, chiefly physical harm. But, Devlin argued, while breaches of shared morality do not cause harm to other individuals in the way that murder and assault do, they do harm society by undermining its moral structure. Patrick Devlin (1905-1992) studied history and law at Cambridge University and became a successful lawyer.

The Decent Tom Kenny 2016-03-03 Did a casual comment from a B-girl working at a seedy bar in Boston's "Combat Zone" inspire the most notorious art theft in the country's history? A decade after the looting, the penchant of a superior court judge for old masterpieces brings the infamous Gardner Museum heist and a billion dollar family court brawl onto the same page. A pair of the city's most prominent lawyers takes on the task of defending an acerbic tycoon accused of fleecing his niece and nephew of their interest in the family business empire. As the court proceedings take a decided turn against their unforiving client, defense counsel turn to insidious means in a desperate attempt to avoid a catastrophic judgment. They scheme to besmirch and derail the trial judge through the manipulation of her law clerk. Unknowingly, the clerk provides information that could involve Her Honor in the disappearance of the priceless museum paintings. The story unfolds in both posh and hardscrabble neighborhoods of Boston and its suburbs as its players succumb to greed, power and love, without concern for those left in their backwash.

Death on Paradise Island B. M. Allsopp 2016-10-17 Shortlisted for the Impress Prize for New Writers This is the first of the Fiji Islands Mysteries series, featuring Detective Joe Horseman, Fiji rugby hero, and Sergeant Susila Singh. Rotten to the Core T. E. Kinsey 2022-06-07 Summer 1911. A scorching heatwave engulfs the quiet town of Littleton Cotterell and brings about an unusually early harvest. The villagers are thrilled, but events quickly turn sour when one of them turns up dead in an apple orchard, stabbed through the heart. Amateur sleuth Lady Hardcastle and her trusty lady's maid, Flo, suddenly have a juicy case on their hands. Might the mysterious stranger they recently met in the village be to blame? When a second cider-related murder takes place, it quickly becomes clear that there's more to these mysterious deaths than meets the eye. The daring duo uncover whispers of an ancient order and moonlit rituals. And evidence points to a macabre secret in the village stretching back years. A secret someone will do anything--anything at all--to keep hidden. Something is rotten, that's for sure. With the local constabulary baffled, Lady Hardcastle and Flo must use all their powers of wit and whimsy to get to the bottom of the dastardly deed. But can they catch the killer before any more people drop dead?

Corpse Path Cottage Margaret Scutt 2018-01-22 When writer Mark Endicott, a former prisoner of war in the Far East, moves to the Dorset village of God's Blessing and buys the small, almost derelict Corpse Path Cottage, it occurs to him that it would make the ideal setting for a murder. And before long, one of the village's residents, Laura Grey, is mysteriously shot dead nearby. Mark's life begins to unravel before he is able to help the police solve the mystery of Laura Grey's death, uncovering in the process a tale of intrigue, bigamy and blackmail, and bringing into the open many secrets of the residents of God's Blessing, including Mark himself.

D.C. Noir 2 Edward P. Jones 2008-09-01 In this anthology, uncover a century of dark mystery stories set in America's mighty capital. Akashic Books continues its award-winning series of city-based noir anthologies launched in 2004 with Brooklyn Noir. Each book is compromised of stories set in a distinct neighborhood or location within the city in the book. The original D.C. Noir, a groundbreaking collection of new fiction by sixteen different writers, displayed the curatorial prowess of bestselling author George Pelecanos. In D.C. Noir 2: The Classics, Pelecanos once again assembles an enchanting array of dark and subversive stories, this time selecting the very best of Washington's historical literary legacy. Classic reprints from: Edward P. Jones, George Pelecanos, Paul Laurence Dunbar, Richard Wright, Langston Hughes, James Grady, Julian Mayfield, Marita Golden, Elizabeth Hand, Julian Mazor, Ward Just, Jean Toomer, Roach Brown, Larry Neal, and others. Praise for D.C. Noir 2 "By broadly interpreting what constitutes noir, Pelecanos has been able to include writers as diverse as Langston Hughes and Ward Just in this high-quality reprint anthology. In his introduction, Pelecanos describes his vision of "a century-long overview of D.C. fiction that would focus on issues of race, ethnicity, politics, class, and the attendant struggles and changes that occurred in various eras of our history."—Publishers Weekly

Where the Missing Go Emma Rowley 2019-04-30 In Emma Rowley's emotionally gripping, unpredictable novel of psychological suspense, a mother who works at a charity helpline for missing teens receives a desperate call—from her own daughter... The missing don't always want to be found. Kate Harlow recognizes this painful truth, even as she keeps searching for her daughter, Sophie, who disappeared two years ago. The police have stopped investigating—after all, Sophie has sent postcards home, insisting that she’s fine. To fill the space in her increasingly empty days, Kate volunteers at Message in a Bottle, where runaways can leave messages for loved ones, no questions asked. Then one evening, a call comes in from a voice Kate instinctively recognizes, even through bursts of static and beyond the sudden dial tone that breaks their connection. Those closest to Kate worry she's cracking under her grief, imagining that it was Sophie. But Kate knows—that it was her daughter on the phone. And that a stranger has been inside her house. Watching her. Sophie is out there. And Kate has to find her, even if someone will try anything to stop her . . . “Kept me guessing to the final twist; creepy and addictive. My perfect type of book!” —Elizabeth Haynes, author of Into the Darkest Corner

Black Hills Nora Roberts 2009-07-07 In this #1 New York Times bestseller, Nora Roberts takes readers deep into the rugged hills of South Dakota, where the shadows keep secrets, hunters stalk the land, and a friendship matures into something more.... Cooper Sullivan spent the summers of his youth on his grandparents’ South Dakota ranch, sharing innocent games and stolen kisses with the neighbor girl, Lil Chance. Now, twelve years after they last walked together hand in hand, fate has brought them back to the Black Hills. Though the memory of Coop’s touch still haunts her, Lil has let nothing stop her dream of opening the Chance Wildlife Refuge, but something—or someone—has been keeping a close watch. When small pranks and acts of destruction escalate into a heartless attack on Lil’s beloved cougar, memories of an unsolved murder have Coop springing to action to keep Lil safe. Both of them know the natural dangers that lurk in the wild landscape of the Black Hills. But a killer of twisted and unnatural instincts has singled them out as prey....

Taking on Water David Rawding 2015-08-18 When James Morrow, a social worker, first meets Kevin Flynn, he suspects the teen is being abused. To learn more about Kevin’s home life, he gets to know the boy’s father, Tucker, who’s a lobsterman. James is able to put his suspicions to rest, and the two families begin to form a friendship. When a kid at the local recreation center dies of an overdose, Detective Maya Morrow adds the case to the long list related to the drug problem plaguing the small New Hampshire coastal town of Newborough. But her investigation gets her much too close to the dangerous players. Both the Morrrows and the Flynns are holding dark secrets, and when their lives collide, tragedy is inevitable.

Just a Coincidence P. Ford 2015-03-27 In the sleepy Hampshire town of Tinton, major crime is rare, and DS Slater and colleague Norman Norman find themselves with nothing to investigate except a flasher and an illiterate counterfeiter. Things are so quiet, Slater even arranges to go on his long-awaited date with bombshell waitress Jelena.But things can change in a matter of seconds, and a dog walker's discovery of a battered body near a local woodland sends Slater and Norman hurrying to the scene. Before they know it, they have three dead bodies on their hands - and the victims are all related. But with 15 years between the murders, is this just a bizarre coincidence, or could the murders be linked? And with tensions rising within their close-knit team, can Slater and Norman keep it together to solve their latest mystery?

A Long Shadow H. L. Marsay 2015-05-13 Old sins cast long shadows... When the bodies of a young, homeless girl and a girl who disappeared thirty years ago are found on the same day, residents in the historic city of York are agast. It seems unlikely the two cases are related, and yet some of the same players knew both victims. As Detective Chief Inspector John Shadow and his eager new partner, Sergeant Jimmy Chang, dive into their investigation, they uncover a complicated web of pop stars, pub owners, shopkeepers and old school friends who each have something to hide. John Shadow is a man of contradictions. A solitary figure who shuns company, but is a keen observer of all he meets. A lover of good food, but whose fridge is almost always empty. He prefers to work alone and is perpetually trying to dodge his partner, who's full of energy, modern ideas and theories. But as the two men gradually learn to work together to solve the case, it's clear that the past is never as far away as you think.

The Red Telephone Box P. F. Ford 2016 When DS Dave Slater is called from his bed in the middle of the night, he is horrified to find that the flat belonging to his colleague, DS Norman Norman, has been set alight. His relief at being told Norman wasn't inside at the time quickly turns to concern, as no trace of the missing officer can be found. As the minutes stretch into hours, and DS Slater starts to dig into the circumstances surrounding Norman's disappearance, he discovers that the involvement of a mysterious Russian man could mean Norman is in an even more dangerous situation than first feared. With a new DI in charge - who just so happens to be a woman - and more twists and turns than a rollercoaster, DS Slater faces a race against time to find Norman before it's too late.

Dumb Move Ty Hutchinson 2021-12-04 When you have a week to save your life, you get off your butt real quick. I have a bounty on my head worth fifty million dollars. Every assasin I can think of will come for me. Even the ones I had called my friends. To end this nonsense, I need to kill Ethan Carmotte, the man responsible for funding the contract. But first, I need to find him. I have a week to get from San Francisco to New York. A contact there is the best at digging up information. It won't be easy, though. News about the big payday is out, and money-hungry assassins are circling. Attacks are imminent. I know that much for sure. But if I can make that trip and not die in the process, I'll have a real chance at finding Ethan and making him wish he'd never made this dumb move. Wish me luck. Dumb Move reviews the Sei thriller series ten years later. You'll cheer for Sei once again.

The Invisible Man P. F. Ford 2019-03-07 When bereaved mother Lizzie Becker comes to Slater and Norman for help it looks like a simple case of someone with a sick mind sending a malicious text message. Then it becomes clear the message has been sent from a mobile phone that went missing two years ago when Lizzie's daughter, Lilly, died in a car crash.As the detectives look into the circumstances of Lilly's death they soon find they're in the middle of a convoluted investigation that seems to throw up more questions than answers. At every turn, they encounter a tangled web of lies and deceit that seems designed to throw them off the scent and lead them in new directions.Finally, despite the fog of confusion they seem to have stumbled upon the answer, but as they close in on their suspect they realise they've been misled yet again and the race to catch a suspect becomes a race to prevent a murder!

Death of a Temptress P. Ford 2015-03-27 When DS Dave Slater is the victim of a botched investigation, he quickly gets bored of sitting at home twiddling his thumbs, but when his boss hands him a case to be investigated 'discreetly', Slater sees a chance to redeem himself. As he delves into the missing person case, Slater discovers there could be some link between a girl leading a double life and the police officers who made him a scapegoat for their own failings. When he is nearly pushed under a London bus, he realises the stakes are even higher than he had imagined. Joined by fellow scapegoat Norman Norman, Slater is plunged into a tangled web of corruption, blackmail, deception...and possibly the most cunning murder he has ever seen. But can he and Norman wade through the ever-widening pool of suspects to find the killer?

The Turkey clan arrives from all over the world, excited for their annual feast. But what will they eat? It turns out everyone is thankful . . . for Thanksgiving corn!

The Daily Show (The Book) Chris Smith 2016-11-22 NEW YORK TIMES BESTSELLER The complete, uncensored history of the award-winning The Daily Show with Jon Stewart, as told by its correspondents, writers, and host. For almost seventeen years, The Daily Show with Jon Stewart brilliantly redefined the borders between television comedy, political satire, and opinionated news coverage. It launched the careers of some of today's most significant comedians, highlighted the hypocrisies of the powerful, and garnered 23 Emmys. Now the show's behind-the-scenes gags, controversies, and camaraderie will be chronicled by the players themselves, from legendary host Jon Stewart to the star cast members and writers-including Samantha Bee, Stephen Colbert, John Oliver, and Steve Carell - plus some of The Daily Show's most prominent guests and adversaries: John and Cindy McCain, Glenn Beck, Tucker Carlson, and many more. This oral history takes the reader behind the curtain for all the show's highlights, from its origins as Comedy Central's underdog late-night program to Trevor Noah's succession, rising from a scrappy jester in the 24-hour political news cycle to become part of the beating heart of politics-a trusted source for not only comedy but also commentary, with a reputation for calling bullshit and an ability to effect real change in the world. Through years of incisive election coverage, passionate debates with President Obama and Hillary Clinton, feuds with Bill O'Reilly and Fox, and provocative takes on Wall Street and racism, The Daily Show has been a cultural touchstone. Now, for the first time, the people behind the show's seminal moments come together to share their memories of the last-minute rewrites, improvisations, pranks, romances, blow-ups, and moments of Zen both on and off the set of one of America's most groundbreaking shows.

Murder at the Book Club Betsy Reavley 2018-08-07 Something bad is brewing among a friendly group of book lovers: “A deliciously Agatha Christie-style mystery that sucks you in from the first page.” —Sibel Hodge, bestselling author of Look Behind You Imagine nine women meeting. Tea and cake are on the coffee table. They’ve come together to share their love of books. They are friends. They trust each other. It’s a happy gathering. What could be more harmless? Then scratch the surface and look closer. One is lonely. One is desperate. And one of them is a killer. When the body of a woman is discovered on a Cambridge common, DCI Barrett and DI Palmer are called in to investigate. But the motive behind the crime isn’t clear—and it all leads back to a book club. As the lies, volatile friendships, and tension among the group rise to the surface, DCI Barrett and DI Palmer must work out the motive and track down a cold-blooded killer. Deceptive Appearances P. F. Ford 2018-12-08 It's been a slow start to business for private detectives and former police officers Dave Slater and Norman Norman, so when the case of a young woman's disappearance arrives on their desk, they're hopeful it could be just the break they need. But it soon becomes clear that the man who reported her missing has his own secrets and motivations to hide - and with mysterious photographs, false IDs, and an unidentified body in the mortuary, a simple missing persons case becomes a tangled web involving local businessmen, undercover journalists, and conspiracies. Will Slater and Norman be able to solve the mystery - and manage to stay safe - after finding themselves on the dark and seedy side of Tinton? Oops, Clifford! Norman Bridwell 1999 Clifford the big red dog is so large that he gets into trouble even when he is trying to do good deeds.
