Eighteen-year-old

Daunis Fontaine has never quite fit in, both in her hometown and on the nearby Ojibwe reservation. She dreams of a fresh start at college, but when family tragedy strikes, Daunis puts her future on hold to look after her fragile mother. The only bright spot is meeting Jamie, the charming new recruit on her brother Levi's hockey team. Yet even as Daunis falls for Jamie, she senses the dashing hockey star is hiding something.

Everything comes to light when Daunis witnesses a shocking murder, thrusting her into an FBI investigation of a lethal new drug. Reluctantly, Daunis agrees to go undercover, drawing on her knowledge of chemistry and Ojibwe traditional medicine to track down the source. But the search for truth is more complicated than Daunis imagined, exposing secrets and old scars. At the same time, she grows concerned with an investigation that seems more focused on punishing the offenders than

protecting the victims. Now, as the deceptions—and deaths—keep growing, Daunis must learn what it means to be a strong Anishinaabe kwe (Ojibwe woman) and how far she'll go for her community, even if it tears apart the only world she's ever known.

[The Deadly Shallows \(Coastal Guardians Book #3\)](#)

Dani Pettrey 2022-07-05 A deadly attack. A stolen weapon capable of immense destruction. A painful secret that threatens to tear two hearts apart. CGIS Agent Noah Rowley is rocked to the core when several of his valued team members come under fire on his Coast Guard base. He and his remaining team race to the scene and end the attack, but not before innocent lives are lost. Furious and grief-stricken, he vows to do whatever is needed to bring the mastermind behind the attack to justice. Stunned by the ambush, Coast Guard flight medic Brooke Kesler evacuates in a helicopter carrying the only surviving gunman. The gravely wounded man whispers mysterious information to Brooke that immediately paints a target on her back. As Brooke and Noah race to uncover answers, emotions between them ignite. Noah struggles to protect Brooke at all costs and to conceal the secret that

prevents him from becoming what he longs to be-- the right man for her. Everything is at stake as a horrifying truth emerges. . . . The attack wasn't the end game. It was only the beginning. "This action-packed thriller is sure to please."--IRENE

tropes."-USA Today A can't-miss summer read,
selected by The New York Times, Oprah Daily,
Time, USA Today, The Philadelphia Inquirer,
CNN, LitHub, BookRiot, Bustle, Popsugar and the
New York Public Library In horror movies, the
final girls are the ones left standing when the
credits roll. They made it through the worst night
of their lives...but what happens after? Like his
bestselling novel *The Southern Book Club's Guide
to Slaying Vampires*, Grady Hendrix's latest is a fast-
paced, frightening, and wickedly humorous thriller.
From chain saws to summer camp slayers, The

Final Girl Support Group pays tribute to and slyly subverts our most popular horror films—movies like *The Texas Chainsaw Massacre*, *A Nightmare on Elm Street*, and *Scream*. Lynnette Tarkington is a real-life final girl who survived a massacre. For more than a decade, she's been meeting with five other final girls and their therapist in a support group for those who survived the unthinkable, working to put their lives back together. Then one woman misses a meeting, and their worst fears are realized—someone knows about the group and is determined to rip their lives apart again, piece by piece. But the thing about final girls is that no matter how bad the odds, how dark the night, how sharp the knife, they will never, ever give up.

[The Unincorporated Woman](#) Dani Kollin

2011-08-16 There's a civil war in space and the unincorporated woman is enlisted! The epic continues. The award-winning saga of a

revolutionary future takes a new turn. Justin Cord, the unincorporated man, is dead, betrayed, and his legacy of rebellion and individual freedom is in danger. General Black is the great hope of the military, but she cannot wage war from behind the President's desk. So there must be a new president, anointed by Black, to hold the desk job, and who better than the only woman resurrected from Justin Cord's past era, the scientist who created his resurrection device, the only born unincorporated woman. The perfect figurehead. Except that she has ideas of her own, and secrets of her own, and the talent to run the government her way. She is a force that no one anticipated, and no one can control. The first novel in this thought-provoking series, *The Unincorporated Man*, won the 2009 Prometheus Award for best novel. Flotilla 13 Ze'ev Almog 2010-11-15 Flotilla 13 is the elite naval commando unit of the Israeli Defense Forces that specializes in maritime hostage rescue and counter-terrorist missions. To maintain secrecy, few of its missions have, until now, been made public. With this book, the unit's commander, Rear Adm. Ze'ev Almog, unveils the amazing story of Flotilla 13. For the first time, he offers details of many of the unit's operations during the War of Attrition and the Yom Kippur War (1968-1973), including the raids on the Adabiya coast post and the Green Island fortress that resulted in heavy casualties, and the unit's dramatic sinking of two Egyptian torpedo boats in the Gulf of Suez. The author provides memorable first-person accounts of the unit's complex and courageous operations that destroyed or captured numerous Egyptian vessels in the Red Sea, including the raid on the port of

Hurgada, which forced the Egyptians to evacuate. Along with the successes, Almog also candidly discusses his unit's despair following the losses at Green Island and threats to limit its involvement in future operations, and he then describes how Flotilla 13 was transformed into a unit of high morale and performance. First published in Hebrew in 2007, this revealing account of what went on is now available in English.

[Pre-Incident Indicators of Terrorist Incidents](#) Brent L. Smith 2011-01 This is a print on demand edition of a hard to find publication. Explores whether sufficient data exists to examine the temporal and spatial relationships that existed in terrorist group planning, and if so, could patterns of preparatory conduct be identified? About one-half of the

terrorists resided, planned, and prepared for terrorism relatively close to their eventual target. The terrorist groups existed for 1,205 days from the first planning meeting to the date of the actual/planned terrorist incident. The planning process for specific acts began 2-3 months prior to the terrorist incident. This study examined selected terrorist groups/incidents in the U.S. from 1980-2002. It provides for the potential to identify patterns of conduct that might lead to intervention prior to the commission of the actual terrorist incidents. Illustrations.

The Egyptian Strategy for the Yom Kippur War
Dani Asher 2009-09-12 This volume examines the military strategy and issues that Egyptian war planners faced during the 1973 Yom Kippur War. Of major interest is the relationship between the political and military leaders and how that affected the buildup and course of the conflict. Taking this as

a starting place, the author concentrates on how Soviet military doctrinal changes presented themselves between the conclusion of the Six-Day War and the Yom Kippur War.

Erased Robbi McCoy 2017-01-01 One moment San Francisco police officer Dani Barsetti is chasing a suspect through an apartment building. The next moment she wakes up in a completely different place and time. It's the twenty-third century—at least that's what she's being told by a group of scientists who aren't at all happy to see her. Their agent, a man sent back in time to kill a dangerous terrorist, has been killed by the terrorist instead. So now the scientists are proposing to send Dani back in time to finish the job. It sounds great to Dani, who only wants to get home. Except for one thing—her trip into the future has totally erased her from the past. Her wife Gemma doesn't know her. Her parents and siblings have never met her.

And the police force has no record of her. Could she start over? Could Gemma fall in love with her all over again? Dani has only two weeks to find out before she must return to the future. But is two weeks long enough to fall in love? Or is it only long enough to say goodbye...

We Set the Dark on Fire Tehlor Kay Mejia
2019-02-26 “We Set the Dark on Fire burns bright. It will light the way for a new generation of rebels and lovers.” —NPR “Mejia pens a compelling, gripping story that mirrors real world issues of immigration and equality.” —Buzzfeed Five starred reviews!! In this daring and romantic fantasy debut perfect for fans of *The Handmaid’s Tale* and Latinx authors Zoraida Córdova and Anna-Marie McLemore, society wife-in-training Dani has a great awakening after being recruited by rebel spies and falling for her biggest rival. At the Medio

School for Girls, distinguished young women are trained for one of two roles in their polarized society. Depending on her specialization, a graduate will one day run a husband’s household or raise his children. Both paths promise a life of comfort and luxury, far from the frequent political uprisings of the lower class. Daniela Vargas is the school’s top student, but her pedigree is a lie. She must keep the truth hidden or be sent back to the fringes of society. And school couldn’t prepare her for the difficult choices she must make after graduation, especially when she is asked to spy for a resistance group desperately fighting to bring equality to Medio. Will Dani cling to the privilege her parents fought to win for her, or will she give up everything she’s strived for in pursuit of a free Medio—and a chance at a forbidden love?

The Unincorporated War Dani Kollin 2010-05-11
The Kollin brothers introduced their future world,

and central character Justin Cord, in *The Unincorporated Man*. Justin created a revolution in that book, and is now exiled from Earth to the outer planets, where he is an heroic figure. The corporate society which is headquartered on Earth and rules Venus, Mars, and the Orbital colonies, wants to destroy Justin and reclaim hegemony over the rebellious outer planets. The first interplanetary civil war begins as the military fleet of Earth attacks. Filled with battles, betrayals, and triumphs, *The Unincorporated War* is a full-scale space opera that catapults the focus of the earlier novel up and out into the solar system. Justin remains both a logical and passionate fighter for the principles that motivate him, and remains the most dangerous man alive. Clever Fox Jeanine Pirro 2013-07-02 Prosecutor Dani Fox finds herself amidst warring crime families in the aftermath of a murdered Mafia capo's daughter. Drawing from her own past as a dynamic, hard-charging district attorney and judge, Emmy award winner Jeanine Pirro's page-turner is ripped

from the headlines, full of gripping details, authentic thrills, and suspenseful realism that can only come from a courtroom litigator who's been in the trenches. Prosecutor Dani Fox has handled some gruesome homicide cases, but her investigation into the brutal murder of a local Mafia capo's daughter goes from tricky to downright dangerous. Although the victim has ties to the New Jersey Mafia, she was also secretly engaged in an affair with someone from a rival New York crime family. As if squaring off against two powerful crime families weren't enough, Dani suspects that the murder is more than a simple crime of passion, and getting to the bottom of this grisly homicide puts Dani and her long-term boyfriend, Will, in harm's way. Clever Fox has you rooting for Dani in this deadly fight between the ace prosecutor and an elusive and dangerous killer.

The Unincorporated Future Dani Kollin 2012-08-21
Sandra O'Toole is the president of the Outer

Alliance, which stretches from the asteroid belt to the Oort Cloud beyond Pluto. Resurrected following the death of Justin Cord, the unincorporated man, O'Toole has become a powerful political figure and a Machiavellian leader determined to win the Civil War against the inner planets at almost any cost. And the war has been going badly, in part because of the great General Trang, a fit opponent for the brilliant J. D. Black. Choices have to be made to abandon some of the moral principles upon which the revolution was founded. It is a time of great heroism and great betrayal, madness, sacrifice, and shocking military conflict. Nothing is predictable, even the behavior of artificial intelligences. There may be only one way out, but it is not surrender. At the Publisher's request, this title is being sold without Digital Rights Management Software (DRM) applied.

Inside Israel's Northern Command Dani Asher

2016-03-18 On October 6, 1973, Israel's Northern Command was surprised by the thunder of cannon fire and the sight of dense, black smoke. A Syrian force of 1,400 tanks supported by artillery and air power had attacked from the north while the Egyptian military invaded the Sinai Peninsula in the south. Although Israel ultimately prevailed, the Yom Kippur War (or Ramadan War, as it is known in Arab countries) shattered the illusion of Israeli invincibility. Inside Israel's Command offers a definitive history of the northern theater of this key conflict. Led by Israel's foremost scholar of the war, Dani Asher, the contributors--Major General Yitzhak Hofi, Major General Uri Simchoni, Brigadier General Avraham Bar David, and Colonel Hagai Mann--all held key positions during the fighting. Together, they offer fresh insight into the pivotal battles that changed the course of the war as well as the disastrous effects of a flawed postwar

evaluation that adversely affected the careers of several high-ranking intelligence officials and the course of defense strategic planning thereafter. Featuring rare lists of the official citations of soldiers who were decorated for their performance in combat, this seminal study contributes significantly to our understanding a troubled region. -- Back cover.

The Doctor's Mission Lyn Stone 2008-10-01 Dr. Nick Sandro's top-secret mission: to help undercover agent Cate Olin recover from an attempt on her life. The safehouse? His own apartment, where her body—which he'd dreamed about for years—was suddenly his responsibility. Nick had loved Cate since childhood, but he'd accepted this job as a favor to her family, to her boss. No way he'd cross the

line. For a civilian, Cate's gorgeous doctor sure was secretive. About giving up his career as a surgeon. About not letting Cate in. But when a terrorist hell-bent on revenge came after both of them, saving each other's lives depended on sharing everything.

The Israeli Army: 1948-1973 Edward Luttwak 1983

Master of One Jaida Jones 2020-11-10 Sinister sorcery. Gallows humor. A queer romance so glorious it could be right out of fae legend itself. *Master of One* is a fantasy unlike any other. Rags the thief has never met a pocket he couldn't pick, but when he's captured by a sorcerer with world-ending plans, he realizes even he is in over his head. Forced to use his finely honed skills to nab pieces of an ancient fae relic, Rags is stunned to discover that those "relics" just happen to be people: A distractingly handsome Fae prince, A too-honorable Queensguard deserter, A scrappy daughter of a disgraced noble family, A deceptively

sweet-natured prince, A bona fide member of the Resistance, And him. Rags. They may all be captives in the sorcerer's terrible scheme, but that won't stop them from fighting back. And, sure, six unexpected allies against one wicked enemy doesn't make for generous odds, but lucky for him, Rag's not generous—he's smart. And he has a plan that just might get them out of this alive. With the heist and intrigue of *Six of Crows* and the dark fairy tale feel of *The Cruel Prince*, this young adult fantasy debut will have readers rooting for a pair of reluctant heroes as they take on a world-ending fae prophecy, a malicious royal plot, and, most dangerously of all, their feelings for each other.

The Edge of the Sword: Israel's War of Independence 1947-1949 Netanel Lorch 2019-07-31
Netanel Lorch, who fought as an officer in Jerusalem during Israel's War of Independence and later founded the Israel Defense Forces' Historical

Section, offers a detailed military history of the years 1947-49. The book begins with the tensions of the British Mandate period in Palestine, including the international debates over proposed boundaries for the new Jewish state, and examines the chaos that followed the British evacuation, the invasion of five Arab armies supported by guerrilla fighters inside Israel, the defeat of the Arab armies, and the signing of armistice agreements at Rhodes. It surveys the strength, weaknesses, equipment and manpower of Jewish and Arab forces and describes the strategies and tactics used in operations launched by all sides, together with the results of the battles that led to Israel's pre-1967 borders. "In splendidly crisp, frugal but always fluent narrative, Col. Netanel Lorch relates how Israel won her life with 'The Edge of the Sword.' It is an apt title for this masterly deployment of bare facts, devoid of speculative afterthoughts, almost devoid of

comment... I rate this book a splendid job of work, absorbing to a student of war, a fit memorial to heroic events passing comprehension." — The New York Times "... minute in its detail, meticulous in its completeness, matter of fact in its style... but, professional objectivity notwithstanding, he offers a penetrating insight into the passions and purposes that underlay this struggle." — Herbert Kupferberg, The New York Herald Tribune "Lorch... was fortunate in holding a position in which he was able to obtain and sift much data not normally available to the public. This he has done admirably... It is a timely, comprehensive book... clearly a must for the bookshelf of everyone who takes an interest in military matters or in the Middle East." — Edgar O'Ballance, The Spectator, London "... a fascinating work. The book teems with technical details and military terms; it gives blow by blow the story of every campaign, and almost every action." —

Marvin Lowenthal, Jewish Social Studies “Genuine history, admirably written...” — Bernard Fergusson, London Daily Telegraph “[Lorch] writes with a clarity quite unusual in military specialists... superbly written and fascinating.” — The Cape Argus, Capetown “The most detailed and most searching study of this momentous little war which has yet been published. It is also remarkably readable... it teaches quietly and with no brashness, a number of salutary lessons, strategic and tactical, logistic and moral, which every soldier ought to ponder... Lorch’s narrative is as candid as it is well marshalled. He is not sparing in his criticism of Israeli mistakes. He does not sneer and he does not exult.” — Journal of the Royal United Services Institution

Ice Shear M. P. Cooley 2014-07-22 A small town cop’s murder investigation turns deadly when she uncovers a web of politics and drugs linked to an outlaw motorcycle gang in this gripping debut suspense novel for fans of Winter’s Bone, Frozen River, Breaking Bad, and Sons of Anarchy. As a cop on the night shift in Hopewell Falls, New York, June Lyons drives drunks home and picks up the donuts. A former FBI agent, she ditched the Bureau when her husband died, and now she and her young daughter are back in upstate New York, living with her father, the town’s retired chief of police. When June discovers a young woman’s body impaled on an ice shear in the frozen Mohawk River, news of the murder spreads fast; the dead

girl was the daughter of a powerful local Congresswoman, and her troubled youth kept the gossips busy. Though June was born and raised in Hopewell Falls, the local police see her as an interloper—resentment that explodes in anger when the FBI arrive and deputize her to work on the murder investigation. But June may not find allies among the Feds. The agent heading the case is someone from her past—someone she isn't sure she can trust. As June digs deeper, an already fraught case turns red-hot when it leads to a notorious biker gang and a meth lab hidden in plain sight—and an unmistakable sign that the river murder won't be the last.

A cannon. A strap. A piece. A biscuit. A burner. A heater. A chopper. A gat. A hammer A tool for RULE Or, you can call it a gun. That's what

fifteen-year-old Will has shoved in the back waistband of his jeans. See, his brother Shawn was just murdered. And Will knows the rules. No crying. No snitching. Revenge. That's where Will's now heading, with that gun shoved in the back waistband of his jeans, the gun that was his brother's gun. He gets on the elevator, seventh floor, stoked. He knows who he's after. Or does he? As the elevator stops on the sixth floor, on comes Buck. Buck, Will finds out, is who gave Shawn the gun before Will took the gun. Buck tells Will to check that the gun is even loaded. And that's when Will sees that one bullet is missing. And the only one who could have fired Shawn's gun was Shawn. Huh. Will didn't know that Shawn had ever actually USED his gun. Bigger huh. BUCK IS DEAD. But Buck's in the elevator? Just as Will's trying to think this through, the door to the next floor opens. A teenage girl gets on, waves away the

smoke from Dead Buck's cigarette. Will doesn't know her, but she knew him. Knew. When they were eight. And stray bullets had cut through the playground, and Will had tried to cover her, but she was hit anyway, and so what she wants to know, on that fifth floor elevator stop, is, what if Will, Will with the gun shoved in the back waistband of his jeans, MISSES. And so it goes, the whole long way down, as the elevator stops on each floor, and at each stop someone connected to his brother gets on to give Will a piece to a bigger story than the one he thinks he knows. A story that might never know an END...if Will gets off that elevator. Told in short, fierce staccato narrative verse, *Long Way Down* is a fast and furious, dazzlingly brilliant look at teenage gun violence, as could only be told by Jason Reynolds.

The American Soldier Collection 10: Compromising Love (Siren Publishing Lovextreme Forever)

Dixie Lynn Dwyer 2015-02-17 [Siren LoveXtreme Forever: Erotic Menage Romance,

M/F/M/M/M/M, light BDSM, spanking, HEA]

Aspen Brooks is a fighter, a survivor set out to destroy the nightmares from her past by being a workaholic and dominating the business field. But she can't seem to put the past behind her, especially once she figures out who was responsible. These are bad men. Russian mobsters who rule the streets and the businesses she's involved in. As she initiates her

attack against the Russian mob boss, she also draws the attention of five retired Navy Seals, who are friends with her brother and always seem to show up wherever she is. They're made men, too. She is completely attracted to them. But ignores it because she feels she's incapable of love. As business deals turn awry, her sneaky maneuvering hits the Russian mob boss where it hurts, in his wallet. Aspen must decide between seeking that ultimate revenge and compromising true love, or embracing her destiny and with it her true identity and a family tie far more dangerous than the man she's set out to destroy. Note: This book contains excessive violence against the heroine by a villain.

The Calculated Series: Books 1-5 K.T. Lee

2020-11-20 The Calculated Series is now available in one convenient collection! Strong heroines in STEM, formidable adversaries, and a dash of

romance in every book. The Calculated Series: Books 1-5 includes the following books: Calculated Deception (Book 1) Calculated Contagion (Book 2) Calculated Sabotage (Book 3) Calculated Reaction (Book 4) Calculated Entrapment (Book 5) Calculated Deception (Book 1) Dr. Ree Ryland is an engineering professor who loves her job and plays by the rules. Her life is reassuringly predictable – until an enemy hiding in plain sight decides her squeaky-clean reputation is the perfect cover to commit a crime. When Agent Parker Landon and his FBI team discover that someone at the university has been procuring military-grade hardware by disguising it as test equipment, all evidence points to Ree. After the FBI intercepts a shipment that puts Ree in the clear, Parker is forced to tell her that she's being used as a pawn by an unseen enemy. And now she's in that enemy's crosshairs. Ree turns down the protective detail

offered by the FBI and insists on using her inside knowledge to help with the investigation. Parker is leery of bringing a civilian on to the team, but he's surprised at how much fun he has working with Ree, even as he tries to keep her out of harm's way. Parker, Ree, and the FBI team find increasingly worrying evidence that someone is quietly acquiring everything they need to cause destruction on a massive scale. Now, they must uncover the motive and identity of the killer hiding among Ree's friends and colleagues before it's too late. Calculated Contagion (Book 2) Dani Christensen is a vaccine researcher who has spent her career proving she is more than just the daughter of the company's CEO. However, as her accomplishments in contagious disease research grow, the wrong people begin to notice. When Dani is isolated from her colleagues at a well-regarded conference in Europe, she is kidnapped

and taken to an isolated camp in the Carpathian Mountains. CIA officers Cam Mitchell and Tyler Scott are sent to observe a suspicious group of armed men in rural Romania. When Cam sees Dani being brought into the camp against her will, he and his partner rescue her and bring her safely back to the United States. The CIA initially believes Dani was kidnapped for ransom, but they soon realize her kidnapper has followed her back to her lab. Now, the CIA must work with their allies in the FBI to catch Dani's kidnapper before he releases a potentially deadly contagion for his own political gain. Calculated Sabotage (Book 3) CIA operations officer Quinn King will do whatever it takes to find the person who killed her partner. She follows the evidence to Innovative Rocket Technologies, a start-up company and current darling of the rocket world. Their most recent launch, however, ended in an explosion that Quinn believes is connected to

her partner's death. The CIA sends Cam Mitchell to provide backup for Quinn — and to make sure she isn't too emotionally invested. With Cam watching her back, Quinn embeds herself at IRT. She soon discovers there is more to the failed launch than IRT has shared with the public. And someone has a vested interest in keeping that information under wraps. When the CIA finds new evidence that someone is actively sabotaging the next launch, they call in Parker, Ree, and Mike from the FBI to help manage a growing number of loose ends. However, once Cam and Quinn realize why the rocket is being sabotaged, it puts them right in the crosshairs of a killer. Calculated Reaction (Book 4) Special Agent Alexis Thompson is eager to get back to work after getting shot on her last FBI assignment. When she discovers that the man who ordered the hit has sent one of his spies to an energy research facility, Alexis convinces the CIA

to send her to take him down. This time, Alexis is bringing along her new partner, Waffle, a highly-trained explosives detection dog. Matt Brown is a former Navy SEAL who is now working as an engineering professor. He also helps his friend, CIA Operations Officer Cam Mitchell, whenever his skills are needed. When Alexis goes undercover, Cam sends Matt along to try to keep Alexis from coming home in a body bag. Matt and Alexis soon discover that their enemy's plans go far beyond good old-fashioned espionage. With the clock ticking, Alexis and Matt must figure out how to stop a dangerous explosion before they become collateral damage. *Calculated Entrapment (Book 5)* Stefanie Ryland is a marine biologist whose life is going exactly to plan. She's worked her way up the corporate ladder to land her dream job at the Oceanic Exploration Group and has a fulfilling personal life. Not to mention, her older sister, Ree,

is soon going to make her the world's greatest aunt. However, a surprise phone call from Ree forces Stefanie to reevaluate everything she thought she knew. Not only has her sister been secretly moonlighting for the FBI and CIA, but Ree has also helped thwart several dangerous attacks. And her team believes that Dmitri, the man behind the attacks, has made the OEG his next target. For CIA Operations Officer Joey Pacelli, putting Dmitri out of play isn't just his job, it's unfinished business. When the CIA and the FBI ask Stefanie Ryland to help them take Dmitri down, Joey travels to San Francisco to protect her. Teaming up with Stefanie is the perfect chance for Joey to beat his old nemesis at his own game. There's just one problem – Dmitri is playing by an entirely new set of rules. *Daughters of the People Omnibus One* Lucy Varna
2015-09-28 An ancient curse, a lost prophecy, and the deadliest enemy a Daughter can face: Her own

heart. In this three-book collection, three immortal descendants of the Seven Sisters battle to save their people from a curse laid down upon them nearly ten thousand years ago. Book 1: The Prophecy Maya Bellegarde journeys to Sweden on behalf of the People. There, she meets James Terhune, an attractive language expert. Together, they must uncover the secrets of the grave and protect them from an ancient enemy, and Maya must decide whether or not to trust James with her deepest secret. Book 2: Light's Bane When Daniella Nehring teams up with Dave Winstead to track

down and recover stolen artifacts, her task is complicated by the attraction sparking between her and the stalwart undercover FBI agent, and by her own sinister heritage. Book 3: The Enemy Within Indigo Dupree and Bobby Upton are drawn into a deadly game involving the Prophecy of Light, forcing Indigo to choose between her duty and her heart. Three women, three challenges, three loves, at a time when the People stand at the crossroads between two paths, one leading to their salvation, the other to their utter destruction.
