Miriam Beckstein has gotten in touch with her roots and they have nearly strangled her. between worlds, she has tried to remain an outsider and her own woman. And start a profitable business in a third world she has discovered, outside the family reach (recounted in *The Hidden Family*). She fell in love with a distant relative but he's dead, killed saving her life. There have been murders, betrayals. Now, however, in *The Clan Corporate*, she may be overreaching. As the pattern draws closer to the palace he is at last remembered: now he awaits a bride, Mesema, a Windreader from the northern plains. She is accustomed to riding free across the grasslands and finds the Imperial Court stifling, but she soon realizes the politicking is not a game. It is in deadly earnest. Eyul, the imperial assassin, is burdened by the atrocities he has committed. As commanded, he bears the emperor's Knife to the desert in search of a cure for the pattern-markings. As long-planned conspiracies boil over into open violence, the enemy moves towards victory. Now only three people stand in his way: a lost prince, a world-weary killer, and a young girl from the steppes who saw a path in a pattern once, among the waving grasses.
